## MADE AROUND YOUR PROGRAMME

Since 2009, Nesis has manufactured and exported textiles for international buyers. We develop each programme around construction, dimensions, colour and finishing, with embroidery, labels and packaging options. Technical details are agreed before production; first finished pieces are reviewed for construction and finishing.

02 / WHITE TOWEL PROGRAMME

# White. Well considered.

100% cotton terry in single-ply and two-ply ring-pile constructions.

| PRODUCT | SIZE / CM | 16/1 / GSM | 20/2 / GSM |
|---|---|---|---|
| Face cloth | 30 × 30 | 400 | 500 |
| Guest towel | 30 × 50 | 400 | 500 |
| Hand towel | 50 × 90 | 400 / 440 | 560 |
| Bath towel | 70 × 140 | 410 / 510 | 510 |
| Large bath towel | 90 × 150 | 370 / 480 | 480 |

## APPROXIMATE GSM

GSM values are rounded nominal weights in g/m². Construction and weight options vary by reference. A 90 × 150 cm / 700 g option is also available at approximately 520 GSM.

03 / PILE, BORDER & FINISH

# Dense loops. Clean lines.

### THE PILE

Fine, closely spaced cotton loops create an even terry surface. Select the construction and nominal weight together.

### THE CLASSIC FINISH

An uninterrupted terry surface, finished with a narrow sewn hem. No inset woven band.

### THE HEM

A clean, narrow folded hem completes the edge. Optional border concepts are shown on the following page.

Coordinate face cloths, guest, hand and bath towels through a shared colour and finishing direction.

04 / BORDER OPTIONS

# A detail that defines.

Our standard towel has an uninterrupted terry surface and a narrow sewn hem. Optional borders can be assessed for your project.

### PLAIN HEM / STANDARD

Continuous terry with a narrow sewn edge. No inset woven band.

### FINE LINES / OPTIONAL

A restrained grouping of fine woven lines.

### DOBBY / OPTIONAL

A subtle geometric woven band with small repeating motifs.

Optional borders are design examples, assessed by construction and order quantity. Availability, dimensions and finishing are confirmed before production.

05 / COLOUR

# A palette for your space.

White

Light blue

Café au lait

Light grey

Ivory beige

HAND / BATH / LARGE BATH TOWELS

## 50 × 90 / 70 × 140 / 90 × 150 cm

Colour options are offered in selected towel references. Size, construction and GSM combinations are confirmed for the chosen colour in the quotation.

Colours shown are visual guides. Final shades are agreed for the selected product.

06 / LARGE-FORMAT TOWELS

# More room for comfort.

| SIZE / CM | WEIGHT / PIECE | APPROX. GSM |
|---|---|---|
| 90 × 150 | 500 g | 370 |
| 90 × 150 | 650 g | 480 |
| 90 × 150 | 700 g | 520 |

Select the weight, pile construction and colour as one product specification.

07 / BATHROBES

# Three textures. One ritual.

### TERRY / CORE COLLECTION

An all-over loop-pile surface. White terry reference: M / L, approximately 1,050 g per piece.

### VELOUR

A smooth, sheared outer surface with a velvety appearance. Specify the cut, size and fabric weight by reference.

### WAFFLE

A woven cell texture with a distinct surface character. Specify the cut, size and fabric weight by reference.

Terry is the primary bathrobe programme. Collar, belt, pockets, measurements and personalisation are agreed for the selected robe. Piece weight is not fabric GSM.

08 / BATH MATS

# Texture underfoot.

WHITE / 50 × 70 CM

## Plain

An uninterrupted terry field with a clean, simple hem.

## Framed

An inset rectangular woven frame around a plain terry centre.

## Footprint

Paired foot motifs with a geometric meander border.

APPROX. GSM OPTIONS / 510 / 570 / 710

Footprint reference: 50 × 70 cm / 250 g per piece / approximately 710 GSM. Design and weight combinations for other references are confirmed in the quotation.

09 / PERSONALISATION

# A signature in the detail.

### EMBROIDERY

Your logo or name, with placement, scale and thread colour agreed for the selected textile.

### LABELS

Woven brand labels and care labels specified for your programme.

### PACKAGING

Belly bands, bags or boxes selected to suit the presentation and order.

First finished pieces are reviewed for construction and finishing before production continues.
